café

Featuring Mr. Espresso Neapolitan Coffee Roasted locally in Oakland using an exclusive Oak Wood Roast process

All shots are **fresh ground to order one cup at a time.** Rather than allowing coffee to go stale in the grinder's hopper we grind the precise amount of coffee for each order with our automatic coffee grinder to ensure you get maximum flavor and freshness of the espresso

Neapolitan Espresso

Surrounded by the sights and smells of the region during his youth, Mr. Espresso's founder, Carlo Di Ruocco, set out to master the art and science behind coffee roasting and blending of classic espressos true to the region. We believe he did just that, and today Mr. Espresso is proud to offer Carlo's interpretation of a timeless classic. True to its roots, Neapolitan Espresso is sure to delight the senses whether it is prepared at home with a stove-top "Caffettiera Napoletana" or expertly crafted at your neighborhood espresso bar.
